

I thoroughly enjoyed the whole weekend!
Mark

I would like to thank you & congratulate you for the organisation of a fantastic cycling event. I enjoyed the weekend immensely and could not stop talking about my great achievement of riding up Mt Buller.
Robyn

Please pass on all our thanks for a great weekend. I thought the event was run very well. The roads were well sign posted & having the descent closed to cars on Sunday was superb.
Simon

I hugely enjoyed this event ... I loved the 3 stage/2 day aspect and the breaks for drinks between stages one and two at Mansfield. I'll definitely be there next year!

I have ridden some of the bigger rides like the Etape in France but this had a great community sense to it, and the wonderful surroundings and people made it fantastic.
Cameron

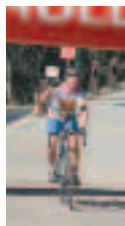

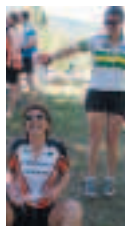

Thanks to all those involved on the weekend for a wonderful time. The Mansfield community really made us all feel welcome and turned on a fantastic atmosphere for us.
Karen

I just wanted to say it was a fantastic ride and really enjoyed it, so will definitely be back again next year.

The support team were fantastic! We were struggling up Mt Buller, out of water, food and legs and each time we stopped to rest, the Holden cars stopped to see if we needed any assistance. They were wonderful!

Spend the weekend in heaven ... and ride like hell! March 3 & 4, 2007.
